

BIOGRAPHICAL SKETCH

Provide the following information for the Senior/key personnel and other significant contributors in the order listed on Form Page 2.
Follow this format for each person. **DO NOT EXCEED FOUR PAGES.**

NAME Russell E. Glasgow, Ph.D.	POSITION TITLE Senior Scientist		
eRA COMMONS USER NAME (credential, e.g., agency login) REGlasgow			
EDUCATION/TRAINING <i>(Begin with baccalaureate or other initial professional education, such as nursing, include postdoctoral training and residency training if applicable.)</i>			
INSTITUTION AND LOCATION	DEGREE <i>(if applicable)</i>	MM/YY	FIELD OF STUDY
University of Iowa, Iowa City, Iowa	B.S.	1972	Psychology
University of Oregon, Eugene, Oregon	M.S.	1974	Clinical Psychology
University of Oregon, Eugene, Oregon	Ph.D.	1977	Clinical Psychology
American Heart Association	Summer Inst	1990	Cardiovascular Epidemiology

A. Personal Statement

B. Positions and Honors

- 1977-78 Assistant Professor, Dept. of Social and Preventive Medicine; Univ. of Maryland School of Medicine
- 1978-84 Assistant to Associate Professor, Dept. of Psychology; North Dakota State University
- 1984-98 Research Scientist and Science Co-Coordinator (1990 and 1995-96); Oregon Research Institute
- 1998-2002 Senior Scientist, Center for Behavioral and Community Studies; AMC Cancer Research Center, Denver, CO.
- 2002-Present Senior Scientist, Institute for Health Research, Kaiser-Permanente Colorado, Denver, CO
Co-Director, Center for Health Dissemination and Implementation Research

Other Experience and Professional Memberships

- Member Evidence-based Behavioral Medicine (2002–present) and Health Policy (2004-present) Committees, Society of Behavioral Medicine
- 2004-Present National Diabetes Education Outcomes System Advisory Group, American Association of Diabetes Educators.
- Member Provider Recognition Committee (1998-9); Board of Directors (1998-2000); Research Policy Committee (1996-7), Publications Committee (2000-1), American Diabetes Association
- Member Technical Advisory Committee, Centers for Disease Prevention and Control, Division of Diabetes Translation
- 1999-2002 Behavioral Science Chair, Break Through Series on Improving Chronic Illness Care, sponsored by the Robert Wood Johnson Foundation
- Reviewing: Editorial Board: American Journal of Preventive Medicine, Annals of Behavioral Medicine, Implementation Science. Frequent reviewer for Diabetes Care, Preventive Medicine, American Journal of Public Health, Annals of Family Medicine, Health Psychology, Health Affairs. Reviewer for NIH and RWJF study sections, British Diabetes Association, abstracts for ADA and SBM. NIDDK Translation and Dissemination Research grants, member and chair (2010).

Honors

- 2000 Recipient, Society of Behavioral Medicine, Distinguished Scientist Award
- 2006 Recipient, American Diabetes Association, Behavioral Medicine and Psychology Council Lectureship for Distinguished Contributions

C. Selected Peer-reviewed Publications (from over 375 publications)

Most relevant to the current application

- Glasgow RE, Edwards LL, Whitesides H, Carroll N, Sanders TJ, McCray B. (2009) Reach and Effectiveness of DVD and In-person Diabetes Self-management Education. Chronic Illness 5:243-249.
- Bennett GG, Glasgow RE. (2009) The delivery of public health interventions via the Internet: Actualizing their potential. Annu Rev Public Health 30:273-292. PMID 19296777
- Glasgow RE, Peeples M, Skovlund SE. (2008) Where is the Patient in Diabetes Performance Measures? The Case for Including Patient-Centered and Self-Management Measures Diabetes Care 31(5):1046-1050. PMID 18445728
- Glasgow RE, Nelson CC, Kearney KA, Reid R, Ritzwoller DP, Strecher VJ, Couper M, Green B, Wildenhaus K. (2007) Reach, Engagement, and Retention in an Internet-Based Weight Loss Program in Three Healthcare Systems. J Internet Med Res (<http://www.imir.org/2007/2/e11>)
- Glasgow RE, Davidson KW, Dobkin PL, Ockene J, Spring B. (2006) Practical Behavioral Trials to Advance Evidence-Based Behavioral Medicine. Ann Behav Med 31(1):5-13.

D. Research Support

Ongoing Research Support

- HL 076151-01 D. Toobert (PI) 05/01/05 – 8/31/10
NIH/NHLBI (Subcontract to ORI)
CHD Lifestyle Modification for Latinas with Diabetes (Viva Bien!)
The primary goal of this project is to extend a promising lifestyle change program to an underserved population at high risk for CHD--Hispanic Americans. (Co-Investigator)
- 1 R18 DP001144 Samuel-Hodges, Carmen (PI) 9/30/07-9/29/10 (2 years only)
CDC (Subcontract to UNC)
Intensive Behavioral Weight Management in Public Health Settings
Practical trial of weight loss in county public health departments
- 5 R37 DK035524 Glasgow, R.E. (PI) 1/1/07 – 12/31/11
NIDDK
Linking Self Management and Primary Care for Diabetes
Renewal of prior diabetes grant to investigate interactive technologies for diabetes patient activation and self-management.

- 1 U01 HL087071 2/1/07 – 1/31/11
Colditz, G. (PI)
NHLBI (Subcontract to Harvard University)
Integrated technologies for weight and blood pressure control in urban clinics.
To address the important role of health care system and social context in the management of weight loss among low-income patients with cardiovascular disease. (Co-Investigator)
- 1 R01 CA132709 Feldstein, Adrienne (PI) 5/1/08-4/30/12
NCI (Subcontract to CHR)
Focusing Implementation to Bring Effective Reminders: FIBER
Population-based intervention to enhance colorectal cancer screening.
- 1 R01 DK071664-01A2 Estabrooks, P. (PI) 7/1/07 – 6/30/12
NIDDK (Subcontract to VTech)
Using Multimedia to Translate Efficacious Weight Loss Principles to Practice
Worksite health promotion incentives RCT. (Co-Investigator)
- R01 MH080692 Solberg, L. (PI) 7/1/07 – 6/30/12
NIH (Subcontract to HealthPartners Research Foundation)
Evaluation of a natural experiment to improve statewide depression care in MN
Interrupted time series design to evaluate implementation of innovative statewide depression care improvement program. (Co-Investigator)
- 1 P20 CA137219 Dearing, James (PI) 9/30/08-8/31/13
NCI - CRN Cancer Communication Research Center
To identify and test optimal cancer communication and patient care coordination processes in clinical settings. (Co-Investigator)

Completed Research Support:

Dr. Glasgow has completed 15 NIH-funded grants as PI since 1990.
